

Team

- ◆ MKP's professional consultants have acquired - through international careers in top management consulting companies and line responsibilities in corporations - first-class consulting expertise combined with line experience.
- ◆ Our consultants bring curiosity, creativity, integrity and analytical rigor to every project and assignment.
- ◆ To complete our know-how and services, we work together with a selected network of corporate finance/M+A advisors, lawyers and IT-specialists who, like us, adhere to the highest ethical standards.
- ◆ We are highly loyal to our customers, treat their information provided strictly confidential and do not consult directly competing companies.
